

Provider Notice

To: **All Providers**
From: **PerformCare**
Date: **February 2, 2023**
Subject: **AD 23-101 Cease CIR reporting for COVID 19 Positive Members**

At the onset of the COVID 19 pandemic, PerformCare notified providers to submit Critical Incident Reports for Members who tested positive for COVID 19 using the “other “category to meet OMHSAS reporting requirements for that data.

Effective February 6, 2023, Providers should cease submitting CIRs for Members who test positive for COVID 19. We encourage all providers to continue to follow CDC guidelines for COVID precautions for staff and members.

Facilities who experience COVID 19 positive outbreaks among staff or patients and which impacts admissions or capacity to accept referral should continue to report those updates to their PerformCare Account Executive.

Please contact your account Executive if you have any questions about this notice.
