SUBJECT:

**Obsolete Behavioral Health Rehabilitation
Services (BHRS) Bulletins**

BY:

**Kristen Houser - Deputy Secretary
Office of Mental Health and Substance Abuse Services**

SCOPE:

This bulletin applies to providers enrolled in the Medical Assistance (MA) Program rendering services in both the fee-for-service and managed care delivery systems that are approved by the Office of Mental Health and Substance Abuse Services (OMHSAS) to deliver Behavioral Health Rehabilitation Services (BHRS).

PURPOSE:

The purpose of this bulletin is to announce the bulletins that include requirements for the provision of BHRS that will be obsolete.

BACKGROUND:

On October 19, 2019, the Department of Human Services (Department) promulgated 55 Pa Code Chapters 1155 and 5240, which codified the minimum standards for licensing and MA payment conditions for agencies that deliver Intensive Behavioral Health Services (IBHS) to children, youth and young adults under 21 years of age with mental, emotional and behavioral health needs. The regulations replace the requirements for BHRS previously set forth in bulletins issued by OMHSAS.

DISCUSSION:

Following the promulgation of the IBHS regulations, OMHSAS began notifying providers and other interested stakeholders that agencies that provide IBHS must obtain an IBHS license by January 17, 2021. OMHSAS also informed providers and other interested stakeholders that beginning January 18, 2021, providers will no longer be able to bill for BHRS.
