

Provider Notice

To: **SU Residential, IOP and Partial Hospitalization Providers**
 From: **Dan Eisenhauer, Director of Operations**
 Date: **December 20, 2023**
 Subject: **SU 23 104 ASAM Minimum Rates Implementation**

PerformCare has received notice that OMHSAS published new minimum rates for various levels of care effective 1/1/2024. The OMHSAS approved ASAM minimum rates are as follows:

Service	Rate Type	Fee
2.0WM	Per Hour	\$103.48
2.1	Per 15 Minutes	\$11.25
2.5	Per 15 Minutes	\$10.45
3.1	Per diem	\$155.81
3.5	Per diem	\$253.62
3.7	Per diem	\$313.10
3.7WM	Per diem	\$404.05

As a reminder, these rates are the minimum rate that a provider of IOP, PHP and Residential will be paid for Substance Use services. If a residential provider has a XYZ rate above these amounts, PerformCare will continue to pay that rate. If a residential provider has a XYZ rate lower than the rates above, PerformCare will pay the higher rate listed above.

IOP and Partial providers are paid via fee schedule rates set by CABHC and TMCA and providers should bill using those rates, which are above the minimum ASAM rate.

Please update your rates for these procedure codes effective 1/1/2024. PerformCare encourages providers to bill us at your usual and customary rate. This rate should be at or above the ASAM minimum, or CABHC or TMCA reimbursement rate. Please check your EOBs to assure that you are being paid at the correct rate.
